# Home Page

Once you successfully log in and authenticate, you will be redirected to your personalized Homepage.

This is the central hub where you can easily access and manage all your events and wishlists.

---

# Wishlist Home Page

01

The Wishlists section is where you can view and manage all your saved wishlists in one place. Here, you'll have full control over your lists with the ability to **add, edit, and delete** wishlists as needed.

02

Whether you're organizing gift ideas, planning future purchases, or creating event-specific wishlists, this feature makes it easy to keep everything organized and accessible.

# Wishlist Page

When you enter a wishlist, you'll be redirected to the **Wishlist Details** page, where you can fully manage its contents.

Here, you'll have the ability to:

**Add new items** to your  
wishlist

**Edit existing items** to update  
details

**Check off items** once they've  
been fulfilled or purchased

This page ensures that organizing and keeping track of your wishes is effortless and intuitive.

# Events Home Page

Just like the Wishlists page, the **Events** page allows you to view, manage, and customize all your events in one place. Here, you can **add, edit, and delete** events effortlessly, ensuring everything stays organized and up to date.

Whether you're planning a birthday, holiday gathering, or any special occasion, this feature helps you keep track of important details and associated wishlists.

---

# Login, Sign Up and Profile Pages

The **Login** and **Sign-Up** pages serve as the gateway to your personalized Wishify experience.

- **Sign Up:** Create an account to start building and managing your wishlists and events, ensuring all your data is securely tied to your profile.
- **Login:** Access your account to view, edit, and manage your saved wishlists and events seamlessly from any device.

Once logged in, you'll also have access to your **Profile Page**, where you can:

- **Edit your personal details** such as name, email, and preferences
- **Update your password** and security settings
- **Make other profile changes** to customize your Wishify experience

With your account and profile, you can easily track your wishes and event plans, making it simple to stay organized and manage your account details as your needs evolve.
